## ELECTRIC MOTORS LTD

हर राह में ताकत और
भरोसे का एहसास....!!

ICAT
Innovation • Service • Excellence

आत्मनिर्भर भारत | Green Energy | MAKE IN INDIA

## ABOUT TOXMO

Toxmo Electric Motors has been a symbol of trust, commitment and quality in India since operational, Toxmo has entered into the Electric Mobility space, offering solutions from Electric Vehicles and Electric Vehicle Batteries.

Over the years, Toxmo Electric commitment towards the environment have been inspired and this is shown through its CSR programs including but not limited to Environmental Management System and Environmental Policy System. Adding to this commitment towards environmental conservation, Toxmo has ventured into the domain of providing affordable, sustainable, and clean mobility to the country via its range of Zero Emission Electric Two-Wheelers & Three-Wheelers.

We work hard to provide a world class product to our loyal customers. We are working towards a sustainable future for the generations. Our products are more reliable, affordable; daily-commute e-scooter that comes with a host of benefits that, making your ride a wonderful experience.

Come, join hands with us in making the shift towards a greener India by ditching conventional, polluting vehicles, and switching to Toxmo Electric Vehicle. ***Don't Worry, You're in Safe Hands.***

## MISSION

**To accomplish our mission, we provide sustainable personal transportation that makes zero compromises, is accessible, and built for the future.**

## VISION

- To provide better service quality
- To expand our service and grow continuously
- To provide products value for money, customer first methodology
- Achieve world class technology
- Contribution towards the society with absolutely zero emission vehicle.
- Constantly e-chance our customer base and our products for Indian Market
- Provide exceptional returns and sustained growth to stakeholders

## OUR NETWORK

## CUSTOMER SERVICE

We are dedicated to provide our customer best of the services to enrich their lives with comfort and happiness. We continue to strive for innovative engineering technology with a strong commitment to support our customer. Besides that, we promise your good quality services at minimum of the prices and offer several advantages of being our prestigious customers.

TOXMO

TOXMO

- Powerful Motor
- Portable Battery
- Quick Charge Capability
- 3 Years Warranty*

- Toxmo has sales and service presence in all states of India*
- More than 1,00,000 electric scooters currently running on Indian roads

India is a land of many. Many languages, many states and many cultures. and such is our distribution network. Our pan India distribution centres enjoy every language and culture from the length and breadth of our country. You could be anywhere in the country and find a Toxmo distribution centre at your reach. So rest assured, you are never too far from us.

- Comfortable Ride for Longer Distance
- No Range Anxiety
- No License and No Registration
- Quick Charge Capability
- Comfortable and Convenient
- Controlled Speed for Easy Ride
